Re: CS Docket No. 96-46

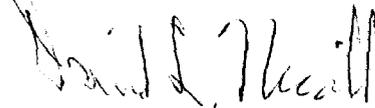

Dear Mr. Caton:

On July 25, 1996, Neal Goldberg and David Nicoll of the National Cable Television Association met with Christopher Wright and Aliza Katz of the General Counsel's office.

At the meeting, NCTA representatives maintained that cable systems that qualify as local exchange carriers should be permitted to offer OVS.

If you have any questions concerning this matter, please contact the undersigned.

Sincerely,

David L. Nicoll
