Assessment and Collection )  
of Regulatory Fees for ) MD Docket No. 96-84  
Fiscal Year 1996 )  
)

ORDER

Adopted: July 22, 1996

Released: July 24, 1996

By the Managing Director:

1. The Managing Director has determined the dates for collection of the fees adopted in the above-captioned proceeding. See Assessment and Collection of Regulatory Fees for Fiscal Year 1996, FCC-295, released July 5, 1996, 61 FR 36629 (July 12, 1996). We are establishing collection dates as indicated below.

2. Annual regulatory fees for Geosynchronous Space Station licensees, Intelsat and Inmarsat Signatories, and Low Earth Orbit Satellite System Licensees are due on September 30, 1996.

3. Annual regulatory fees for regulatees in the cable television, common carrier, international (except the three categories listed in paragraph 2 above), mass media, and commercial wireless services are due during the period beginning September 12, 1996, and ending September 20, 1996. Parties paying these fees electronically are requested to submit them on September 12th or September 13th.

4. Applicants for new, renewal and reinstatement licenses in the private wireless services which pay annual fees of \$7.00 in advance for each year of their license term in combination with the appropriate application fee are to begin paying the new fee on September 12, 1996. For private wireless licensees paying \$3.00 in advance for each year of their license term in combination with the appropriate application fee, there is no change and they will continue to do so.

5. Since the time for collecting fees is extremely limited, we are unable to offer installment payments for fiscal year 1996.

6. Accordingly, IT IS ORDERED that the dates for collection of fiscal year 1996 regulatory fees are as provided in paragraphs 2, 3 and 4 of this Order. This action is taken under delegated authority pursuant to Sections 0.231(a) and 1.1157(b)(1) of the Commission's rules. 47 U.S.C. §§ 0.231(a) and 1.1157(b)(1).
