Dear Mr. Caton:

I am writing in reference to BellSouth Telecommunications, Inc., Petition NSD-L-96-7. I live in the Holly Ridge area. Most of my family, friends, and doctors are in the Hampstead/Wilmington area. My telephone bill is very costly when I do very much calling to handle my personal business or talk to friends and family. It would be very nice to be able to call all of these people with local calls.

Please consider changing the local telephone boundaries in the Holly Ridge/Hampstead/Wilmington area. Thank you for your time.

910-329-1197

Sincerely,

Howard Evans

Dear Mr. Caton:

I am writing in reference to BellSouth Telecommunications, Inc., Petition NSD-L-96-7. I am the owner of Holly Mart Inc. and Holly Mart II, both are located in Holly Ridge, North Carolina. They are convenience stores and many of our vendors are in the Wilmington area. It would be very beneficial for us as well as our salespersons to be able to call the Hampstead/Wilmington area local.

Please consider changing the boundaries for local telephone calls in the Holly Ridge/Hampstead/Wilmington area. Thank you for your time.

Dear Mr. Caton:

I am writing in reference to BellSouth Telecommunications, Inc. Petition NSD-L-96-7. I am the owner of Hollis Oil Company, Inc., in Holly Ridge, North Carolina. I deliver fuel oil and gasoline for home heat, commercial fisherman, agriculture, and industrial use. At least one half of my customers are in the Hampstead/Wilmington area. It would benefit my business as well as my customers to be able to call local. Many of my customers are elderly people on fixed incomes and calling local to place an order for fuel would save them money.

Please consider lifting the boundaries of local telephone service for the Holly Ridge/Hampstead/Wilmington area. Thank you for your time.

Sincerely,

Stacy Hollis
