Dear Mr. Caton:

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF SECRETARY

This is to notify the Office of the Secretary that Christine M. Gill, an attorney in the law firm of McDermott, Will & Emery, on behalf of a client, The Southern Company ("Southern"), made an oral ex parte communication with Larry Spiwak and Jim Olson of the Office of the General Counsel.

The substance of Mrs. Gill's conversation with Mr. Spiwak and Mr. Olson involved the July 15, 1996 filing of Southern's 800 MHz Specialized Mobile Radio ("SMR") rejustification of its extended implementation authority which the First Report and Order of the above-referenced docketed proceeding (now under reconsideration) required to be filed.

A copy of Southern's filing without the associated exhibits was previously filed in an earlier notice of ex parte presentation filed earlier this week.

In accordance with the Section 1.1206 of the Federal Communications Commission rules, a copy of this notice is being hand-delivered to Mr. Larry Spiwak and to Mr. Jim Olson.

Very truly yours,

Christine M. Gill
