than the consideration consisting of a fifty percent equity interest in New Corp and New Corp's agreement to employ Hilding as a consultant in connection with the construction and initial operations of New Corp's Windsor, California, FM station, which is recited in the Agreement.

Approval of the Agreement would serve the public interest as it will obviate the need for further proceedings with respect to the mutually exclusive applications for Hughes and Hilding, thereby conserving the resources of the Commission and the parties, and it will hasten the day when a new FM service will be established in Windsor, California.

WHEREFORE, for the foregoing reasons, it is respectfully requested that the Agreement be approved, that Hilding's application of be dismissed with prejudice and that the amended application reflecting the merger of the interests of Hughes and Hilding in a new corporate entity, New Corp, be granted.

Respectfully submitted,
