**Re: CC Docket 92-297**  
**"Rules and Policies for Local Multipoint Distribution Service (LMDS)"**

Today, the undersigned talked via telephone with Walter Strack of the Wireless Telecommunications Bureau about the Commission's Fourth Notice of Proposed Rulemaking in the above referenced proceeding. The discussion focused on whether LECs should be restricted from holding LMDS licenses in-region, and was consistent with comments filed previously by Bell Atlantic.

Questions regarding this matter should be directed to me on (202) 392-1189.
