*** This is an amendment to Public Notice #2130, Released May 9, 1996, which requested comments on the above-noted counterproposal in MM Docket No. 96-10. However, the counterproposal is mutually exclusive with an FM application for Channel 204C2 at Ada, Oklahoma (BPED-960404MB). Pursuant to Commission Rule 73.208(a), the proponent of this proposal may amend this counterproposal to protect the transmitter site of the previously filed application, and must make a showing that, at the time the counterproposal was filed, the proponent did not know and could not have known by exercising due diligence, of the pendency of the conflicting FM application. Failure to amend this counterproposal within 15 days after the date of this public notice will result in dismissal of the counterproposal. Responses are limited to the counterproponent addressing the conflict as noted herein.**
