The Joint Reply Comments of the National Apartment Association, the Building Owners and Managers Association, the National Realty Committee, the Institute of Real Estate Management, the International Council of Shopping Centers, the National Multi Housing Council, the American Seniors Housing Association, and the National Association of Real Estate Investment Trusts filed on October 28, 1996, contained several typographical errors. The following changes should be made at the places indicated in the original filing.

1. The reference to Section 25.131(i) of the Commission's rules in footnote 9 on page 12 should be to Section 25.131(j).

2. The word "along" in line 20 of page 13 should be "alone."
3. The last sentence of footnote 28, at the bottom of page 29, should read "That does not mean, however, that the government's interests would be found strong enough to compel property owners, who are not in that business, to take on similar obligations."

Respectfully submitted,

Nicholas P. Miller
