Re: Notification of *Ex Parte* Contact in ET Docket No. 96-102

Dear Mr. Caton:

On November 7, 1996, the undersigned and representatives of Apple Computer, Inc. held a video conference with Michael Marcus, Charles Iseman, Fred Thomas, and Thomas Derenge, all of the Office of Engineering and Technology, to discuss issues associated with the above-referenced proceeding.

The Apple representatives did not discuss any matter that was not covered in Apple's written comments and reply comments in this proceeding. The videoconference ended too late in the day to file this *ex parte* notice on November 7th. Please call the undersigned if there is any question with respect to this matter.

Respectfully submitted,

  
Henry Goldberg
