Re: CC Docket 92-297
"Rules and Policies for Local Multipoint Distribution Service (LMDS)"

Today, Don Brittingham, Director-Wireless Policy for Bell Atlantic, and the undersigned met with Rudy Baca of Commissioner Quello's office to discuss the above referenced proceeding. The discussion focused on whether LECs should be restricted from holding LMDS licenses in-region, and was consistent with Bell Atlantic's past filings in this proceeding.

Questions regarding this matter should be directed to me on (202) 392-6980.
