RE: 1B DOCKET NO. 95-59  
CS DOCKET NO. 96-83

Dear Mr. Caton:

Our association feels that government intervention in the use of private property and the enforceability of private contractual agreements raises significant Constitutional issues.

We are also very concerned about the likelihood of damage to the common property and expense that will then be passed along to all unit-owners - even those who choose not to install antennas.

This decision is in violation of private property rights for the government to give the right to make private use of property to individuals, and Congress did not mandate such an action.

Sincerely,

PIER THREE CONDO ASSOCIATION

Gloria Kovnot  
Association Secretary
