

RECEIVED

DEC 11 1996

From: Byron Bush <byronnb@fia.net>
To: A16.A16(rm8775)
Date: 12/11/96 1:57pm
Subject: Telephone Co. ripoff

Federal Communications Commission
Office of Secretary

Free press is available to anyone who owns a newspaper. The internet is the only free vehicle for expression. I understand the phone companies are trying to add their two cent on to everyone's access. Please consider that the internet should be a forum for ideas and art. Not a slot machine fo the fortunate 500. Keep the internet as free and inexpensive as possible.

Thank You Byron Bush
