Federal Communications Commission  
Office of Secretary

Paul Miki (mitla@pipeline.com) writes:

I object strongly to the "Internet Access Charge" imposed on my Pacific Bell phone bill of \$3.50  
Did the FCC ok such a tax? (\$41.00 year)  
How and where will the funds be used?  
Is this tax suppose to supress usage of the phone lines and Internet?  
What does Al Gore think of this tax?

Bothered,  
Paul
