Dear Mr. Caton:

On January 16, 1997, the American Mobile Telecommunications Association, Inc. (AMTA) made an oral ex parte presentation concerning the above-referenced proceedings to David Furth, Chief of the Commercial Wireless Division, Wireless Telecommunications Bureau, and Jeff Steinberg, Rhonda Lien and Mika Savir of the Division. The purpose of the meeting was to discuss the definition of "covered SMR" systems, as used in the above proceedings. AMTA's proposed revision of the definition is included in its Petitions for Reconsideration in these proceedings, and in a Petition for Declaratory Ruling filed with the FCC on December 16, 1996.

Pursuant to Section 1.1206 of the Commission's Rules and Regulations, 47 C.F.R. § 1.1206, an original and one copy of this Notice have been submitted.
