On January 10, 1997, the Commission adopted and released a Notice of Proposed Rulemaking (NPRM) and Notice of Inquiry (NOI) in the above-captioned matter. These errata amend the NPRM and NOI as follows:

Amend paragraph 5, third sentence, by moving footnote 22 to the end of that sentence.

Amend paragraph 5, fourth sentence, by deleting "the directors from subsets I, II, and III." and adding "NECA's members." The amended fourth sentence contains an additional footnote, 22A, that states: "*Id.* at para. 7."
