Re: Ex Parte - CC Docket No. 95-116, Telephone Number Portability

Dear Mr. Caton:

I am writing to inform you of telephone discussions with the following state commission staff members, on the listed dates. I initiated the calls to ascertain the status of local number portability implementation efforts in the states. The state commission staff members described their progress at the time in implementing local number portability, and their expectations of meeting the deadlines for deployment set forth in the First Report and Order in the Telephone Number Portability docket. The conversations took place as follows: Geoff Waldau of the Maryland Public Service Commission on January 7, 1997; Scott Potter of the Ohio Public Service Commission on January 8, 1997; Karen Jones and Natalie Billingsley of the California Public Utilities Commission on January 8, 1997, and January 14, 1997, respectively; and Brent Struthers of the Illinois Commerce Commission, Local Number Portability Workshop, on January 10, 1997.

Sincerely,

Jeannie Su
