Re: CC Docket 96-128

Dear Mr. Caton:

Today, Mary Sisak and I met with Ann Stevens, Christopher Heimann, Michelle Carey, Radhika Karmarkar, Craig Brown, Carol Matthey, and Blaise Scinto. The purpose of the meeting was to review issues related to the implementation of the FCC's Payphone Compensation Order and the LEC CEI plans. In particular, we discussed the need for a unique payphone ANI digit, and issues related to identifying the ANI of calls originating over Feature Group B. The discussion covered points already made on the record.

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

Leonard S. Sawicki
