GN Docket No. 96-245

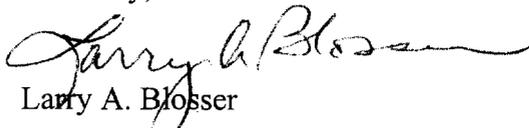

Dear Mr. Caton:

On March 12, 1997, Len Sawicki and I, along with Joel Winnik of Hogan & Hartson LLP on behalf of BT, met with Kerry Murray, Jamie Hedlund and Joanna Lowry of the International Bureau to provide an update on the status of a forthcoming minor amendment to the MCI/BT merger application.

Attached hereto are copies of the materials discussed at the meeting: lists of the submarine cable landing licenses and "Section 214" authorizations which we intend to include in the amendment.

An original and one copy of this notice are being submitted to the Secretary of the FCC, with additional copies to ITS, the International Reference Room, and the Wireless Reference Room, in accordance with the Commission's December 10, 1996 Public Notice in this proceeding.

Sincerely,
