Re: Ex Parte Presentation – MCI/BT Merger
GN Docket No. 96-245

Dear Mr. Caton:

On March 18, 1997, Jeremy Miller of Hogan & Hartson LLP on behalf of BT and I met with Steve Markendorff, Mika Savir, Rhonda Lien and Jim Bennett of the Wireless Telecommunications Bureau to provide an update on the status of a forthcoming minor amendment to the MCI/BT merger application.

We discussed a number of licenses in various radio services which did not appear in the initial application for any of several reasons. We identified contact persons within the licensing divisions and stated that we intend to complete research and to file an amendment as soon as practicable.

An original and one copy of this notice are being submitted to the Secretary of the FCC, with additional copies to ITS, the International Reference Room, and the Wireless Reference Room, in accordance with the Commission's December 10, 1996 Public Notice in this proceeding.

Sincerely,

Larry A. Blosser
