Re: CC Docket No. 95-20/CC Docket No. 96-149

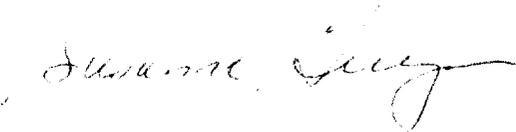

Dear Mr. Caton:

Yesterday, Mr. A. Trinchese, Mr. J. Laporta and I, representing NYNEX, met with Ms. L. Sockett, Ms. B. Scinto, Ms. A. Kearney, Mr. J. Di Scipio, and Mr. K. Gude of the Policy and Program Planning Division of the Common Carrier Bureau. The purpose of the meeting was to discuss the Commission's CI II, CI III, and ONA rules. The NYNEX representatives discussed their views as expressed in comments filed on August 15, 1996 in CC Docket No. 96-149. In those comments NYNEX stated that the implementation of the Telecommunications Act of 1996 makes certain aspects of the Commission's CI II, CI III and ONA rules unnecessary. NYNEX stated that the Commission should streamline its regulations consistent with today's regulatory environment and market realities.

The NYNEX representatives also discussed the attached list of ONA reporting requirements.

Any questions on this matter should be directed to me at either the address or the telephone number shown above.

Sincerely,

Attachment
