Re: Ex Parte Communications in PR Docket No. 93-61/DA 97-85

Dear Mr. Caton:

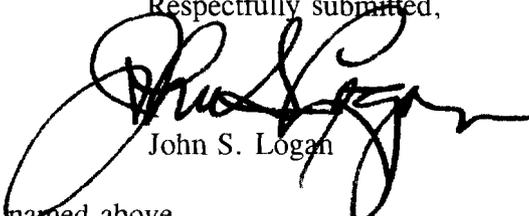

Pursuant to Section 1.1206(a) of the Commission's Rules, notice is hereby given of an *ex parte* communication regarding the above-referenced proceeding. An original and two copies of this notice are being filed with the Secretary's office.

On March 26, 1997, Steven D. Scheiwe of Teletrac, Inc. and Leonard J. Kennedy and John S. Logan on behalf of Teletrac, Inc., met with David R. Siddall, Legal Advisor to Commissioner Ness, Rudolfo M. Baca, Legal Advisor to Commissioner Quello, Suzanne Toller, Legal Advisor to Commissioner Chong, and Daniel B. Phythyon, Deputy Chief, Wireless Telecommunications Bureau, David Furth, Chief, Commercial Wireless Division and Jane Halprin, Legal Advisor, Commercial Wireless Division and Karen Gulick, Special Counsel, Office of General Counsel, Mark Bollinger, staff attorney, Auctions Division and Jonathan Cohen, Assistant Chief, Law, Mass Media Bureau. Due to the lateness of the hour at which the last of these meetings was completed, notice of this meeting is being given on the next business day.

These presentations centered on auction issues related to the multilateration location and monitoring service particularly the timing of further Commission action and the interest of Teletrac in the prompt scheduling of auctions. Also discussed, with comments as incorporated in those pleadings, was Teletrac's recent waiver request seeking authority to provide fill-in transmitters.

Please do not hesitate to call me if you should have any questions regarding this matter.

Respectfully submitted,

John S. Logan
