BELLSOUTH: BellSouth does not believe any tariff changes are necessary. The current tariffs, already in effect, are adequate and appropriate.

(TR 119) FIDP has offered no evidence on this issue; however, in its Brief FIDP argues that tariffs filed pursuant to the Commission's Order should be approved and effective on an expedited basis. (BR. p.15)

Staff recommends that BellSouth should file any required modifications to its DPDS tariff no later than seven (7) days following the issue date of the final order in this proceeding, to become effective five (5) days after the correct tariffs are filed.
