Re: CC Docket 95-116: Local Number Portability

Dear Mr. Caton:

In meetings held May 29 (see MCI ex parte letter filed in this proceeding May 30, 1997), MCI provided estimates of the amounts it will spend to implement number portability. Through the end of calendar year 1997, MCI expects to spend \$75.5 million, of which \$37.3 million will be spent for operational support systems. MCI expects to spend \$22-\$30 million more in 1998.

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

Leonard S. Sawicki
