The Time Brokerage Agreement for KAPA(TV), Kaneohe, Hawaii was entered into on May 29, 1997 as part of an arrangement whereby Paxson Communications of Honolulu-66, Inc. agreed to construct the station's facilities and lease them to the permittee together with an option to purchase the station. Without the ability to program the station pursuant to the Time Brokerage Agreement, Paxson Communications would not have entered into the Agreements that will enable the station to be promptly constructed.
