Re: CC Docket 95-116: Local Number Portability

Dear Mr. Caton:

On July 10, 1997, Woody Traylor, Donna Roberts, Prince Jenkins and I spoke with Claudia Pabo, Steven Teplitz, Jonathan Askin and Kyle Dixon of the Common Carrier Bureau. The purpose of the meetings was to review the status of limited liability corporations and state regulatory activities surrounding the implementation of local number portability. MCI recounted the history of the Maryland LLC and efforts to include Bell Atlantic. We also updated the staff on events in New Jersey and Pennsylvania.

MCI also provided information on the structure of rates for administration of the LNPAs and speculated about the type of oversight issues that may arise for regulators as the LLCs go into operation..

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

*Leonard S. Sawicki*
