Re: CC Docket 96-128; Payphone Compensation

Dear Mr. Caton:

On July 10, Robert Castellano of AT&T, Richard Juhnke of Sprint and Mary Sisak and I, both of MCI, met with Michael Carowitz, John Muleta, Robert Spangler, Greg Lipscomb and Rose Crellin of the Common Carrier Bureau. The purpose of the meeting was to review our understanding of the Court's order in this proceeding and get instructions from the staff for the industry meeting planned for July 17. We also discussed the FCC's expectations for the industry negotiations that will take place after that meeting.

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

Leonard S. Sawicki
