RE: Ex Parte Meetings  
PR Docket 93-61, Amendment of Part 90 of the Commission's Rules  
for Automatic Vehicle Monitoring Systems

Dear Mr. Caton:

On July 23, 1997 I met with David Siddall, from the office of Commissioner Susan Ness, and James Rubin, from the office of the General Counsel, to discuss benefits to the education community of unlicensed wireless technology and the potential impact of the current proceeding, PR Docket No. 93-61, on behalf of the Connectivity for Learning Coalition. We discussed the Connectivity for Learning Coalition's Petition for Reconsideration, filed with the FCC on 4/24/95. We also discussed the Coalition's letter to the Chairman submitted 7/18/97. Both items are attached.

Sincerely,

Jill Bond
