Re: Ex Parte Presentation
CC Docket No. 95-116 (Number Portability)

Dear Mr. Caton:

On July 28, 1997, the Cellular Telecommunications Industry Association ("CTIA"), represented by Michael Altschul, Brian Fontes, Randy Coleman, Phil Verveer (Willkie Farr & Gallagher), met with Jeanine Poltronierie of the Wireless Telecommunications Bureau.

At the meeting, CTIA discussed the subject of number portability and number pooling. We discussed the need for the FCC to consider the effect of number pooling and cost recovery mechanisms on CMRS carriers.

Pursuant to Section 1.1206 of the Commission's Rules, an original and one copy of this letter and attachments are being filed with your office. If you have any questions concerning this submission, please contact the undersigned.

Sincerely,

Michael Altschul
