Re: CC Docket Nos. 97-21/ and 96-45

Dear Mr. Caton:

This is to notify you, pursuant to Section 1.1206 of the Commission's Rules, that Jeffrey Sheldon and Sean Stokes, representing UTC, met yesterday afternoon with the staff of the Common Carrier Bureau and the Wireless Telecommunications Bureau to discuss issues related to implementation of the universal service program. The purpose of the meeting was to elicit clarification of the filing procedures for entities subject to the universal service contribution requirements, and in particular the filing requirements for providers of wireless telecommunications services. During the meeting it was noted that several of the issues for which clarification was sought are currently subject to petitions for reconsideration in the above-referenced dockets.

Pursuant to Section 1.1206, two copies of this notice are provided for inclusion in the records of each of the above-referenced dockets.

Should any questions arise concerning this matter, please let me know.

Very truly yours,

Jeffrey L. Sheldon
General Counsel
