PETITION

I. INTRODUCTION

Southwestern Bell Telephone Company (SWBT), pursuant to Section 3(25) of the Communications Act of 1934, as amended,¹ and in accordance with the guidelines established in the Commission's Memorandum Opinion and Order (MO&O) released July 15, 1997 in CC Docket No. 96-159,² hereby makes application for a limited modification of LATA boundaries to provide ELCS between the Tulia exchange and the Amarillo and Canyon exchanges.

II. SUPPORTING INFORMATION

As prescribed in paragraph 23 of the aforementioned Commission MO&O, SWBT provides the following information in support of its application:

1. Type of service: Flat-rate, non-optional Expanded Local Calling (ELC);

No. of Copies rec'd 074
List ABCDE

¹ The Communications Act of 1934, as amended, 47 U.S.C. *et al.*

² Memorandum Opinion and Order, Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service at Various Locations, CC Docket No. 96-159, released July 15, 1997. By way of this MO&O the Commission adopted a format for and criteria under which such petitions would be granted. The format and criteria are detailed in paragraphs 23 and 24.

2. Direction of service: Two-way;
3. Exchanges involved: Tulia in the Lubbock, TX LATA, Amarillo in the Amarillo, TX LATA and Canyon in the Amarillo, TX LATA;
4. Name of carriers: Tulia of Contel/GTE Southwest, Inc., Amarillo of Southwestern Bell Telephone and Canyon of Southwestern Bell Telephone;
5. State commission approval(s): See Attachment A;
6. Number of access lines or customers: Tulia has 2,495 access lines, Amarillo has 114,035 access lines and Canyon has 7,717 access lines;
7. Usage data: Usage data is not available to Southwestern Bell Telephone. SWBT does not currently carry traffic across LATA boundaries;
8. Poll results: Percentage of Tulia customers returning ballots who voted in favor of ELC to Amarillo: 81.34. Percentage of Tulia customers returning ballots who voted in favor of ELC to Canyon: 76.58. Where SWBT is the petitioning exchange, there is no proposed rate increase. Where SWBT is not the petitioning exchange, SWBT does not have information as to any proposed rate increase.
9. Community of interest statement: The Public Utility Commission of Texas includes a Community of Interest Finding in their Order(s). See Attachment A.
10. Map: See Attachment B; and,
11. Other pertinent information: None

III. PRIMA FACIE SHOWING

SWBT believes that it has made a *prima facie* case supporting grant of the proposed modification because the instant ELCS petition (1) has been approved by the state commission; (2) proposes only traditional local service (i.e., flat-rate, non-optional ELCS); (3) indicates that the state commission found a sufficient community of interest to warrant such service; (4) documents this community of interest through such evidence as poll results and descriptions of the communities involved; and, (5) involves a limited number of customers or

access lines. These requirements for a *prima facie* case are detailed in the aforementioned Commission MO&O paragraph 24.

IV. CONCLUSION

Wherefore, SWBT request that the Commission approve its application for a limited modification of LATA boundaries to provide ELCS between the Tulia exchange and the Amarillo and Canyon exchanges.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE COMPANY
