Exchange. )

DOCKET FILE COPY ORIGINAL

PETITION

**I. INTRODUCTION**

Southwestern Bell Telephone Company (SWBT), pursuant to Section 3(25) of the Communications Act of 1934, as amended,<sup>1</sup> and in accordance with the guidelines established in the Commission's Memorandum Opinion and Order (MO&O) released July 15, 1997 in CC Docket No. 96-159,<sup>2</sup> hereby makes application for a limited modification of LATA boundaries to provide ELCS between the Cross Plains exchange and the Abilene exchange.

**II. SUPPORTING INFORMATION**

As prescribed in paragraph 23 of the aforementioned Commission MO&O, SWBT provides the following information in support of its application:

1. Type of service: Flat-rate, non-optional Expanded Local Calling (ELC);
2. Direction of service: Two-way;

<sup>1</sup> The Communications Act of 1934, as amended, 47 U.S.C. *et al.*

<sup>2</sup> Memorandum Opinion and Order, Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service at Various Locations, CC Docket No. 96-159, released July 15, 1997. By way of this MO&O the Commission adopted a format for and criteria under which such petitions would be granted. The format and criteria are detailed in paragraphs 23 and 24.

3. Exchanges involved: Cross Plains in the Abilene, TX LATA and Abilene in the Abilene, TX LATA;
4. Name of carriers: Cross Plains of Contel/GTE Southwest, Inc. and Abilene of Southwestern Bell Telephone;
5. State commission approval(s): See Attachment A;
6. Number of access lines or customers: The Cross Plains exchange has 1,264 access lines, and the Abilene exchange has 69,688 access lines;
7. Usage data: Usage data is not available to Southwestern Bell Telephone. SWBT does not currently carry traffic across LATA boundaries;
8. Poll results: Percentage of Cross Plains customers returning ballots who voted in favor of ELC to Abilene: 84.60. Where SWBT is the petitioning exchange, there is no proposed rate increase. Where SWBT is not the petitioning exchange, SWBT does not have information as to any proposed rate increase.
9. Community of interest statement: The Public Utility Commission of Texas includes a Community of Interest Finding in their Order(s). See Attachment A.
10. Map: See Attachment B; and,
11. Other pertinent information: None

### III. *PRIMA FACIE* SHOWING

SWBT believes that it has made a *prima facie* case supporting grant of the proposed modification because the instant ELCS petition (1) has been approved by the state commission; (2) proposes only traditional local service (i.e., flat-rate, non-optional ELCS); (3) indicates that the state commission found a sufficient community of interest to warrant such service; (4) documents this community of interest through such evidence as poll results and descriptions of the communities involved; and, (5) involves a limited number of customers or

access lines. These requirements for a *prima facie* case are detailed in the aforementioned Commission MO&O paragraph 24.

#### IV. CONCLUSION

Wherefore, SWBT request that the Commission approve its application for a limited modification of LATA boundaries to provide ELCS between the Cross Plains exchange and the Abilene exchange.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE COMPANY

DOCKET NO. 14518

PETITION FOR EXPANDED LOCAL § PUBLIC UTILITY COMMISSION  
 CALLING SERVICE FROM THE CROSS §  
 PLAINS EXCHANGE TO THE EXCHANGE § OF TEXAS  
 OF ABILENE §

INTERIM ORDER

Findings of Fact

RECEIVED  
 97 AUG - 1 4 PM '97  
 PUBLIC UTILITY COMMISSION  
 FILING CLERK

1. On April 10, 1995, subscribers of the Cross Plains Exchange filed a petition for Expanded Local Calling Service (ELCS) requesting non-optional, two-way, flat rate calling to the exchange of Abilene.
2. The processes for petitioning and balloting included notice that the service would be for a flat monthly fee of up to \$3.50 per residential line and \$7.00 per business line on a non-optional basis.
3. The Cross Plains Exchange is in the Dallas Local Access and Transport Area (LATA) and is served by GTE Southwest, Inc./Contel of Texas, Inc. (GTE/Contel). The petitioned exchange of Abilene is in the Abilene LATA and is served by Southwestern Bell Telephone Company (SWBT).
4. An affirmative vote of 84.60 percent of Cross Plains Exchange subscribers responding to the ballot favored expanding the local calling scope to include the Abilene Exchange.
5. On July 15, 1997, the Federal Communications Commission (FCC) issued an order, *In the Matter of Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service (ELCS) at Various Locations*, CC Docket No. 96-159, FCC 97-244, (rel. July 15, 1997) (Memorandum Opinion and Order), providing a procedure for requesting a limited LATA boundary modification.

6. The petitioned exchange of Abilene is within the 22-mile distance requirement for community of interest to be presumed to exist between the petitioning and petitioned exchanges pursuant to 16 T.A.C. §23.49(c)(3)(B)(ii)(II) [effective date 12/7/93].
7. In addition to satisfying the presumptive geographic community of interest test in the Texas Public Utility Commission's rules, an affidavit attesting to the existence of a community of interest between the petitioning and petitioned exchanges was filed on January 10, 1996.
8. The Abilene Exchange provides hospitals, doctors, dentists, educational facilities for handicapped students, Region 14 service center for the public school system, access to a Justice of the Peace for some residents in the Abilene Exchange, employment, electric company, Social Security office, Internet services and nursing homes for Cross Plains Exchange subscribers.
9. Based on the affidavit referenced in Finding of Fact No. 7, there is a community of interest between the petitioning Cross Plains Exchange and the petitioned exchange of Abilene.

#### Ordering Paragraphs

In accordance with the findings of fact, the Commission issues the following Interim Order:

1. This proceeding is unabated.
2. Petitioners from the Cross Plains Exchange have shown a community of interest with the Abilene Exchange.
3. Within thirty (30) days of the effective date of this Interim Order, SWBT is directed to file a request for a limited modification of the LATA boundary in accordance with the procedures outlined in the FCC order, *In the Matter of Petitions for Limited Modification of LATA Boundaries to Provide*

*Expanded Local Calling Service (ELCS) at Various Locations*, CC Docket No. 96-159, FCC 97-244, (rel. July 15, 1997) (*Memorandum Opinion and Order*), ¶¶ 23 & 24.

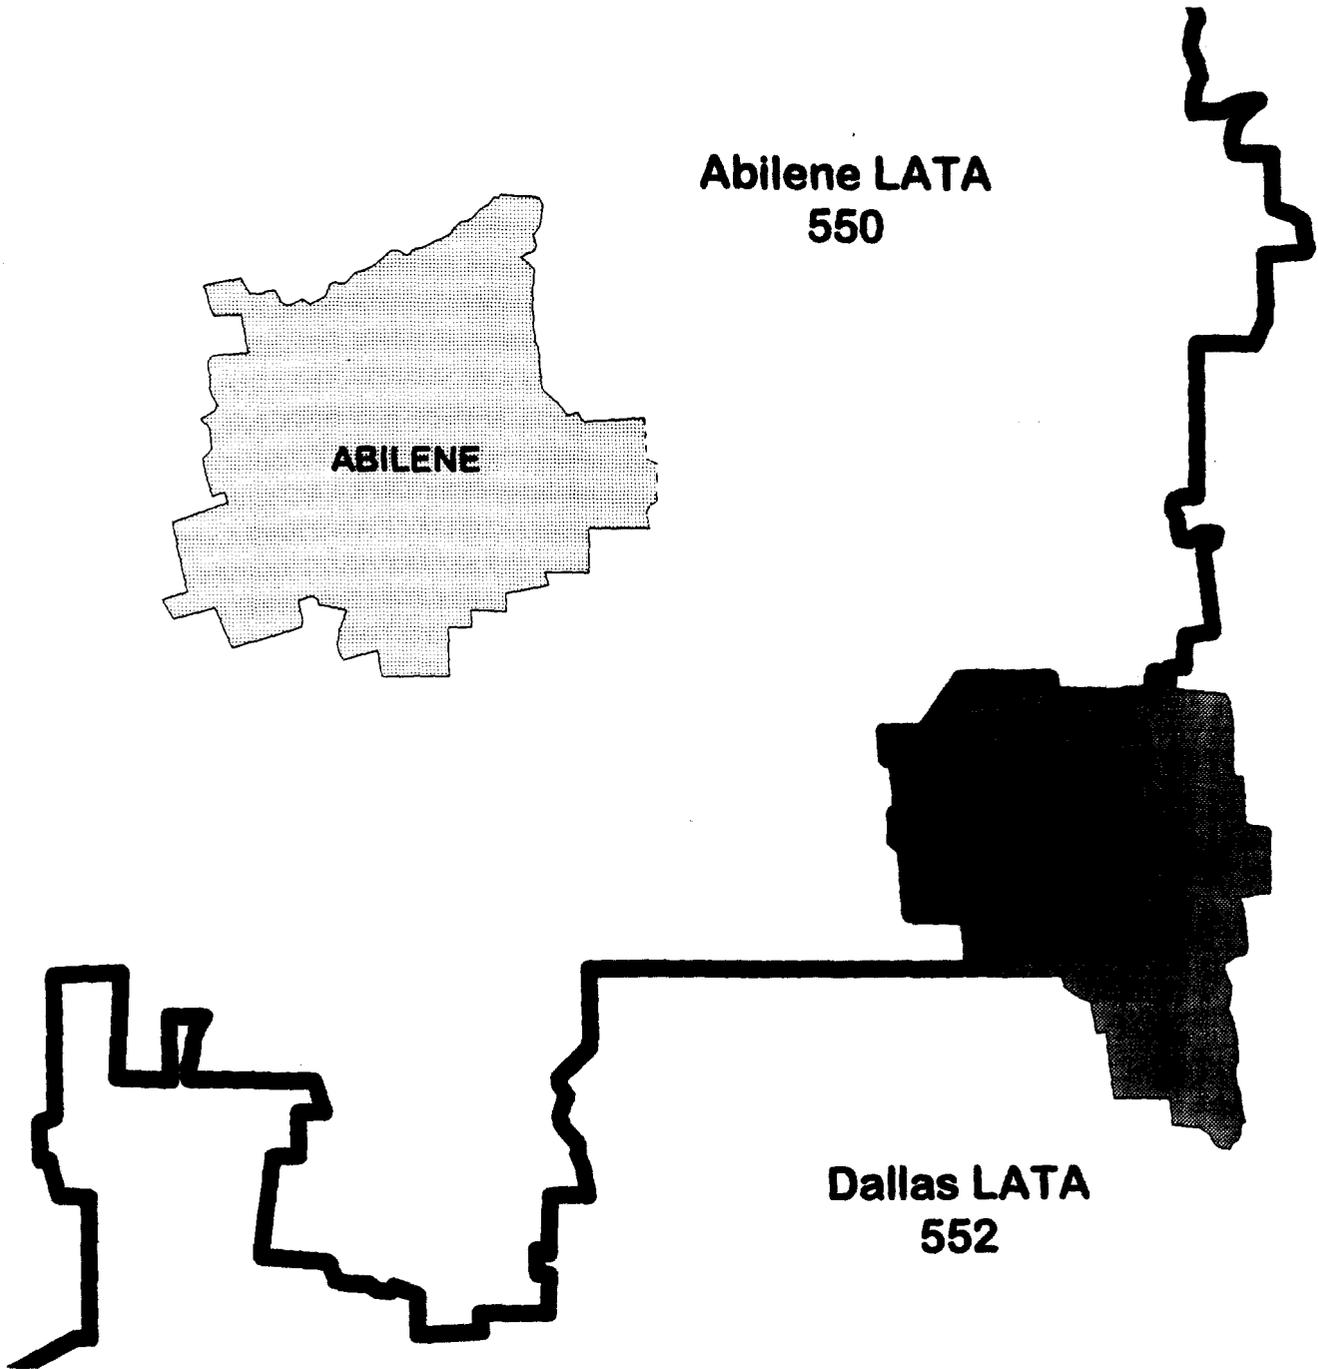

4. Within ten (10) days of the receipt of an Order or Notice from the FCC relating to this petition, SWBT is directed to file such Order or Notice in this project.

**ISSUED BY THE OFFICE OF POLICY DEVELOPMENT  
ON BEHALF OF THE PUBLIC UTILITY COMMISSION OF TEXAS  
ON THE 1st DAY OF AUGUST, 1997**
