Request of Limited Modification of)
LATA Boundaries to Provide ELCS)
Between the Hubbard)
Exchange and the Corsicana)
Exchange.)

DOCKET FILE COPY ORIGINAL

PETITION

I. INTRODUCTION

Southwestern Bell Telephone Company (SWBT), pursuant to Section 3(25) of the Communications Act of 1934, as amended,¹ and in accordance with the guidelines established in the Commission's Memorandum Opinion and Order (MO&O) released July 15, 1997 in CC Docket No. 96-159,² hereby makes application for a limited modification of LATA boundaries to provide ELCS between the Hubbard exchange and the Corsicana exchange.

II. SUPPORTING INFORMATION

As prescribed in paragraph 23 of the aforementioned Commission MO&O, SWBT provides the following information in support of its application:

1. Type of service: Flat-rate, non-optional Expanded Local Calling (ELC);
2. Direction of service: Two-way;

File of Docs as rec'd. AT
List ABOVE

¹ The Communications Act of 1934, as amended, 47 U.S.C. *et al.*

² Memorandum Opinion and Order, Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service at Various Locations, CC Docket No. 96-159, released July 15, 1997. By way of this MO&O the Commission adopted a format for and criteria under which such petitions would be granted. The format and criteria are detailed in paragraphs 23 and 24.

3. Exchanges involved: Hubbard in the Waco, TX LATA and Corsicana in the Dallas, TX LATA;
4. Name of carriers: Hubbard of Contel/GTE Southwest, Inc. and Corsicana of Southwestern Bell Telephone;
5. State commission approval(s): See Attachment A;
6. Number of access lines or customers: The Hubbard exchange has 1,001 access lines, and the Corsicana exchange has 15,433 access lines;
7. Usage data: Usage data is not available to Southwestern Bell Telephone. SWBT does not currently carry traffic across LATA boundaries;
8. Poll results: Percentage of Hubbard customers returning ballots who voted in favor of ELC to Corsicana: 75.70. Where SWBT is the petitioning exchange, there is no proposed rate increase. Where SWBT is not the petitioning exchange, SWBT does not have information as to any proposed rate increase.
9. Community of interest statement: The Public Utility Commission of Texas includes a Community of Interest Finding in their Order(s). See Attachment A.
10. Map: See Attachment B; and,
11. Other pertinent information: None

III. *PRIMA FACIE* SHOWING

SWBT believes that it has made a *prima facie* case supporting grant of the proposed modification because the instant ELCS petition (1) has been approved by the state commission; (2) proposes only traditional local service (i.e., flat-rate, non-optional ELCS); (3) indicates that the state commission found a sufficient community of interest to warrant such service; (4) documents this community of interest through such evidence as poll results and descriptions of the communities involved; and, (5) involves a limited number of customers or

access lines. These requirements for a *prima facie* case are detailed in the aforementioned Commission MO&O paragraph 24.

IV. CONCLUSION

Wherefore, SWBT request that the Commission approve its application for a limited modification of LATA boundaries to provide ELCS between the Hubbard exchange and the Corsicana exchange.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE COMPANY

AUGUST 29, 1997

DOCKET NO. 14761

PETITION FOR EXPANDED LOCAL	§	PUBLIC UTILITY COMMISSION
CALLING SERVICE FROM THE HUBBARD	§	
EXCHANGE TO THE EXCHANGE OF	§	OF TEXAS
CORSICANA	§	

INTERIM ORDER

Findings of Fact

1. On March 7, 1995, subscribers of the Hubbard Exchange filed a petition for Expanded Local Calling Service (ELCS) requesting non-optional, two-way, flat rate calling to the exchange of Corsicana.
2. The processes for petitioning and balloting included notice that the service would be for a flat monthly fee of up to \$3.50 per residential line and \$7.00 per business line on a non-optional basis.
3. The Hubbard Exchange is in the Waco Local Access and Transport Area (LATA) and is served by GTE Southwest, Inc. (GTE-SW). The petitioned exchange of Corsicana is in the Dallas LATA and is served by Southwestern Bell Telephone Company (SWBT).
4. An affirmative vote of at least 75.70 percent of Hubbard Exchange subscribers responding to the ballot favored expanding the local calling scope to include the Corsicana Exchange.
5. On July 15, 1997, the Federal Communications Commission (FCC) issued an order, *In the Matter of Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service (ELCS) at Various Locations*, CC Docket No. 96-159, FCC 97-244, (rel. July 15, 1997) (*Memorandum Opinion and Order*), providing a procedure for requesting a limited LATA boundary modification.

6. The petitioned exchange of Corsicana is within the 22-mile distance requirement for community of interest to be presumed to exist between the petitioning and petitioned exchanges pursuant to 16 T.A.C. §23.49(c)(3)(B)(ii)(II) [effective date 12/7/93].

7. In addition to satisfying the presumptive geographic community of interest test in the Texas Public Utility Commission's rules, an affidavit attesting to the existence of a community of interest between the petitioning and petitioned exchanges was filed on July 29, 1997 for the petitioned exchange of Corsicana.

8. The Corsicana Exchange is the location of the nearest hospital with an emergency room, doctors, a community college, law enforcement interaction, and provides employment for Hubbard Exchange subscribers.

9. Based on the affidavit referenced in Finding of Fact No. 7, there is a community of interest between the petitioning Hubbard Exchange and the petitioned exchange of Corsicana.

Ordering Paragraphs

In accordance with the findings of fact, the Commission issues the following Interim Order:

1. This proceeding is unabated.
2. Petitioners from the Hubbard Exchange have shown a community of interest with the Corsicana exchange.
3. Within thirty (30) days of the effective date of this Interim Order, SWBT is directed to file a request for a limited modification of the LATA boundary in accordance with the procedures outlined in

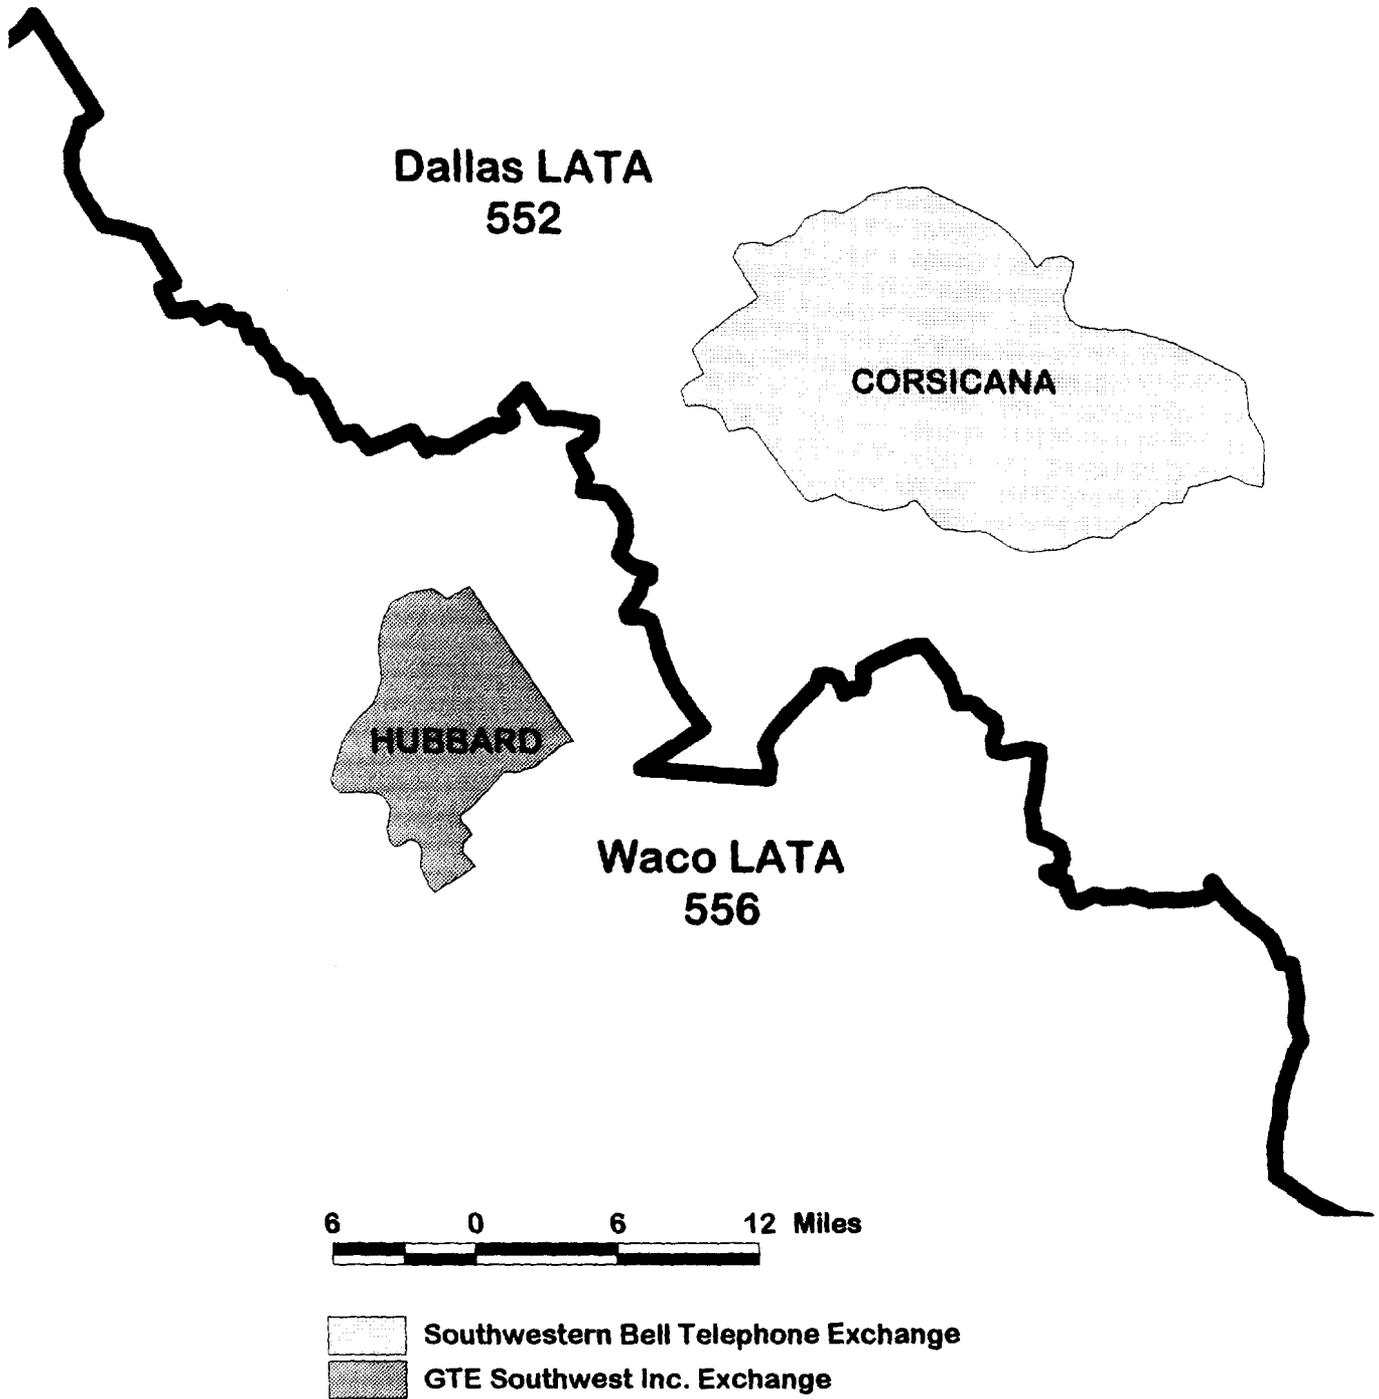

the FCC order, *In the Matter of Petitions for Limited Modification of LATA Boundaries to Provide Expanded Local Calling Service (ELCS) at Various Locations*, CC Docket No. 96-159, FCC 97-244, (rel. July 15, 1997) (*Memorandum Opinion and Order*), ¶¶ 23 & 24.

4. Within ten (10) days of the receipt of an Order or Notice from the FCC relating to this petition, SWBT is directed to file such Order or Notice in this project.
