**FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY**

Dear Mr. Caton:

Re: CC Dockets No. 95-116, No. 96-45

Yesterday Dale (Zeke) Robertson and I met with Tom Boasberg of Chairman Hundt's office to discuss the above dockets.

With respect to Docket No. 95-116, we asked that the Commission allow the local exchange companies to recover all the costs of Local Number Portability in the interstate jurisdiction. If that is not possible, we asked that the Commission require that new rate elements be established to recover any portion of LNP costs to be recovered in the intrastate jurisdiction.

With respect to Docket No. 96-45, we discussed SBC's request for stay, specifically the Commission's plans for the future use of the Education Fund.

Please stamp and return the provided copy to confirm your receipt. Please contact me should you have any questions.

Sincerely yours,

cc: Tom Boasberg
