Re: *Implementation of the Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996, CC Docket No. 96-128—
Notice of Ex Parte Presentation*

Dear Mr. Caton:

DOCKET FILE COPY ORIGINAL

The Personal Communications Industry Association ("PCIA"), by its attorneys and pursuant to Section 1.1206 of the Commission's Rules, hereby submits its notification of an oral *ex parte* presentation in the above-captioned proceeding. On October 2, 1997, Scott Blake Harris of Gibson, Dunn & Crutcher LLP, and Rob Hoggarth of PCIA, met with Kathleen Franco of Commissioner Chong's office.

The discussion in that meeting focused on the terms of the D.C. Circuit's remand decision and subsequent clarification in *Illinois Public Telecommunications Association v. FCC*. PCIA explained that the Commission needs additional information, particularly regarding carriers' technological capabilities, before adopting final rules on remand, and that the Commission should not rush its decision making process in the absence of such information. PCIA also indicated that a "caller pays" system would better serve the Commission's objectives in this proceeding than would a "carrier pays" system.
