Re: CC Docket 95-116: Local Number Portability

Dear Mr. Caton:

On October 2, Mary Brown, George Ford and I met with James Casserly of Commissioner Ness' office. The purpose of the meeting was to review MCI's position in this proceeding, in particular MCI's ex parte letter of September 12, 1997 concerning LEC cost recovery. We discussed the importance of recovering LNP costs in the intrastate jurisdiction and guidelines that the FCC could offer the states. MCI recommended steps that the FCC could take to handle LNP costs, in the event that the FCC decided that a portion of those costs should fall in the interstate jurisdiction.

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

  
Leonard S. Sawicki
