Re: CC Docket 95-116: Local Number Portability

Dear Mr. Caton:

Today, Woody Traylor, Donna Roberts and I met with Carol Matthey, Jonathan Askin and Kyle Dixon of the Common Carrier Bureau. The purpose of the meeting was to review the status of number portability implementation, particularly in Bell South, PacBell and US West territories. MCI reported that critical contractor delivery dates for December, 1997 and January, 1998 remain intact and that the NPAC contractor for these areas is devoting significant resources to meet contract dates.

MCI also discussed Ameritech's last minute refusal to meet the November 3 implementation date for LNP in Chicago.

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

Leonard S. Sawicki
