Re: CC Docket No. 96-128; Implementation of the Pay Telephone Reclassification and Compensation Provisions of the Telecommunications Act of 1996

Dear Ms. Salas:

Yesterday, I met with John Muleta and Robert Spangler of the Common Carrier Bureau. The purpose of the meeting was to review MCI's position in this proceeding. In particular, we discussed the requirement that IXCs receive unique payphone coding digits as part of ANI; the current means of compensation for inmate payphones; and matters related to O+ compensation, as stated in MCI's pleadings in this proceeding.

Please add this letter and the enclosed copy to the record of this proceeding.

Sincerely,

Leonard S. Sawicki
