Re: Ex Parte Communication, ET Docket No. 94-124/RM 8308, RM 8784

Dear Ms. Salas:

Representatives of Sky Station International, Inc. ("SSI") and its counsel met today with Daniel Phythyon and other members of the Wireless Telecommunications Bureau staff regarding the above-referenced proceeding. The discussion focused on matters raised in the petition for reconsideration of the Second Report and Order adopted in May 1997 in this proceeding as well positions set forth in SSI's opposition to this petition. The meeting also addressed the timing and substance of further Commission actions relating to the 47.2-48.2 GHz band.

An original and one copy of this letter are being submitted for association in the above-referenced docket. Any questions regarding this matter should be addressed to the undersigned.

Sincerely,

Lee J. Tiedrich

Counsel for
Sky Station International, Inc.
