FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Dear Ms. Salas:

On Friday, February 20, 1998, Albert Kramer and Robert Aldrich of Dickstein Shapiro Morin & Oshinsky LLP, on behalf of American Public Communications Council ("APCC"), met with Mary Beth Richards, Deputy Managing Director of the FCC, and Glenn Reynolds, Assistant to the Chief, Common Carrier Bureau, regarding the above-referenced matter. During the meeting, we discussed the need for an expeditious decision requiring timely and complete implementation of payphone-specific ANI digit codes and prescribing flat-rate compensation payments for the pre-implementation period. APCC's positions on these issues are detailed in APCC's comments (Oct. 30, 1997) and reply comments (Nov. 6, 1997) on requests for waivers of the ANI digits requirement.

Please contact the undersigned if you have any questions.

Sincerely,

Robert F. Aldrich
