FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Re: *Ex Parte*  
PR Docket 92-235

Dear Ms. Salas:

This letter serves to notify the Commission that John Kneuer, of the Industrial Telecommunications Association met today with D'Wana Terry, Acting Chief, Public Safety and Private Wireless Division. The purpose of this meeting was to discuss general matters of interest to the private wireless community, as well as specific matters related to the Commission's "refarming" proceeding.

ITA expressed its support for the LMCC's low power pool consensus plan, as well as a reconsideration of the Commission's rules for trunking in the bands below 800 MHz. ITA's comments were substantially similar to those included in ITA's numerous filings already in the record of this proceeding.

If you have any questions or comments related to this filing, please do not hesitate to contact me at your convenience.

Cordially,

John Kneuer  
Executive Director, Government Relations
