Re: *Amendment of Parts 21 and 74 To Enable Multipoint Distribution Service and Instructional Television Fixed Service Licensees To Engage In Fixed Two-Way Transmissions -- MM Docket No. 97-217 and RM-9060: NOTICE OF EX PARTE COMMUNICATION*

Dear Ms. Salas:

Earlier today, the undersigned met with Helgi Walker of the Office of Commissioner Furchtgott-Roth on behalf of The Wireless Cable Association International, Inc. ("WCA") and the group of 113 participants in the wireless cable industry that submitted the petition for rulemaking that commenced this proceeding (the "Petitioners") to discuss several of the issues raised by the *Notice of Proposed Rulemaking* ("NPRM"). The substance of the presentation, which focused upon the need for expedited action on the *NPRM* and the adoption of rules that will expedite the processing of Multipoint Distribution Service and Instructional Television Fixed Service applications, is set forth in the formal comments and reply comments previously submitted by the Petitioners in response to the *NPRM*.

Please contact the undersigned should you have any questions regarding this *ex parte* presentation.

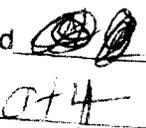

Respectfully submitted,

  
Paul J. Sinderbrand

Counsel to The Wireless Cable Association  
International, Inc. and the Petitioners

cc: Helgi Walker
