OFFICE OF THE SECRETARY

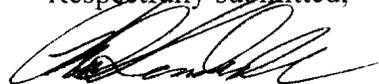

Re: *Amendment of Parts 21 and 74 To Enable Multipoint Distribution Service and Instructional Television Fixed Service Licensees To Engage In Fixed Two-Way Transmissions -- MM Docket No. 97-217 and RM-9060: NOTICE OF EX PARTE COMMUNICATION*

Dear Ms. Salas:

On March 10, 1998, the undersigned met with Roy Stewart, Barbara Kreisman, Marsha MacBride, Raymond White and David Roberts of the Mass Media Bureau on behalf of the group of 113 participants in the wireless cable industry that submitted the petition for rulemaking that commenced this proceeding (the "Petitioners") to discuss several of the issues raised by the *Notice of Proposed Rulemaking* ("NPRM"). The substance of the presentation, which focused upon the need for expedited action on the *NPRM* and the adoption of rules that will expedite the processing of Multipoint Distribution Service and Instructional Television Fixed Service applications, is set forth in the formal comments, reply comments and written *ex parte* materials previously submitted by the Petitioners in response to the *NPRM*. The attached handout was also distributed.

Please contact the undersigned should you have any questions regarding this *ex parte* presentation.

Respectfully submitted,

Paul J. Sinderbrand

Counsel to the Petitioners
