Re: Amendment of Parts 21 and 74 To Enable Multipoint Distribution Service and Instructional Television Fixed Service Licensees To Engage In Fixed Two-Way Transmissions -- MM Docket No. 97-217 and RM-9060: NOTICE OF EX PARTE COMMUNICATION

Dear Ms. Salas:

On March 23, 1998, Todd Rowley, Senior Vice President of People's Choice TV Corp., and the undersigned met on behalf of the group of 113 participants in the wireless cable industry that submitted the petition for rulemaking that commenced this proceeding (the "Petitioners") with Clay Pendarvis, Charles Dziedzic, Michael Jacobs and David Roberts of the Mass Media Bureau to discuss several of the issues raised by the *Notice of Proposed Rulemaking* ("NPRM"). The substance of the presentation made by Mr. Rowley, who co-chaired the committee that crafted the joint statement of position submitted by the National ITFS Association and The Wireless Cable Association International, Inc. and focused his presentation on the benefits of adopting the policies advocated in that statement, is set forth in the formal comments and reply comments previously submitted by the Petitioners in response to the *NPRM*.

Please contact the undersigned should you have any questions regarding this *ex parte* presentation.

Respectfully submitted,

Paul J. Sinderbrand

Counsel to the Petitioners
