## Information and Instructions

## TIN Registration Form

Approved by OMB  
3060 - 0795 Est.  
Avg. Burden  
Per Response:  
1 hour

**NOTICE TO INDIVIDUALS REQUIRED BY THE PRIVACY ACT OF 1974 AND  
THE PAPERWORK REDUCTION ACT OF 1995**

We have estimated that each response to this collection of information will take on average 1 hour. Our estimate includes the time to read instructions, look through existing records, gather and maintain required data, and actually complete and review the form or response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, DC 20554, Paperwork Reduction Project (3060-0795). We will also accept your comments via the Internet if you send them to [jboley@fcc.gov](mailto:jboley@fcc.gov). **Please do not send completed application forms to this address.**

You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0795.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation or potential violation of a statute, FCC regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government, is a party to a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the Federal government, the Taxpayer Identification Number (such as your Employer Identification Number or Social Security Number) and other information you provide may also be disclosed to the Department of Treasury Financial Management Service, other federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide this information to these agencies through the matching of computer records when authorized.

In addition, all information provided in this form, except Taxpayer Identification Number, will be available for public inspection. If you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

This notice is required by the Privacy Act of 1974, Public Law 93-579, December 31, 1974, 5 U.S.C. Section 552a(e)(3) and the Paperwork Reduction Act of 1995, Public Law 104-13, October 1, 1995, 44 U.S.C. 3507.

## General Instructions

### Purpose of Form

FCC Form 606 is used to register a licensee's Taxpayer Identification Number (TIN) and its associated call signs with the Federal Communications Commission.

### Who Must File This Form and When

All existing license holders must file FCC Form 606. The form should be filed as soon as possible. It *must* be submitted before the license holder files any subsequent applications associated with the existing license.

### **Information Current and Complete**

Information filed with the FCC must be kept current and complete. The licensee must notify the FCC regarding any substantial and significant changes in the information furnished in the application(s). See Section 1.65 of the Commission's rules.

### **Paper Copies**

The number of paper copies of this application required to be filed is one original. Licensees filing electronically should follow procedures contained in online help files.

### **Applicable Rules and Regulations**

Licensees should refer to the Debt Collection Improvement Act of 1996. The Debt Collection Act requires all federal agencies to ensure that no debtors to the Federal government receive refunded monies. To ensure this, the FCC must collect TIN information to correlate its licensees with any outstanding Federal debt that they might have incurred in other dealings with the Federal government.

### **For Assistance**

For assistance with this application, contact the Federal Communications Commission, 1270 Fairfield Road, Gettysburg, PA 17325-7245, call 1-888-CALL-FCC (225-5322).

### **Electronic Filers**

For assistance with filing electronically, contact the Wireless Telecommunications Bureau Technical Support line, (202) 414-1250.

## **Instructions for Main Form**

### **►Licensee Information**

**Item 1** Taxpayer Identification Number of the licensee. For individuals, enter the Social Security Number. For all other filers, enter the Employer Identification Number. This data is required to comply with the Debt Collection Improvement Act of 1996. This information will not be made available for public inspection.

**Items 2-11** These items identify the person or entity that is registering the TIN and call signs. Items 2-9 must be completed; Items 10 and 11 (FAX and E-Mail) are optional. Complete either Item 2 (Name) or Item 3 (Entity Name), depending on whether the licensee is an individual or an entity, respectively.

You may enter a post office box number in Item 4 or a street address in Item 5, or enter information for both items.

### **►Contact Information**

**Items 12-21** These items identify the contact representative, if different from the licensee. This is usually the headquarters office of a large company, the law firm or other representative of the licensee, or the person or company that prepared or submitted the application on behalf of the licensee. If there is a question about the application, an FCC representative will communicate with the licensee's contact representative.

If this section is used, a name (Item 12) and telephone number (Item 19) are required at a minimum. If the address items are completed, you may enter a post office box number in Item 14 or a street address in Item 15, or enter information for both items.

### **►Associated Valid Call Signs**

**Item 22** List all valid call signs associated with the Taxpayer Identification Number entered in Item 1.

#. Section 1.85 is revised to read as follows::

**Sec. 1.85 Suspension of operator licenses.**

Whenever grounds exist for suspension of an operator license, as provided in section 303(m) of the Communications Act, the Chief of the Wireless Telecommunications Bureau, with respect to amateur and commercial radio operator licenses, may issue an order suspending the operator license. No order of suspension of any operator's license shall take effect until 15 days' notice in writing of the cause for the proposed suspension has been given to the operator licensee, who may make written application to the Commission at any time within the said 15 days for a hearing upon such order. The notice to the operator licensee shall not be effective until actually received by him, and from that time he shall have 15 days in which to mail the said application. In the event that physical conditions prevent mailing of the application before the expiration of the 15-day period, the application shall then be mailed as soon as possible thereafter, accompanied by a satisfactory explanation of the delay. Upon receipt by the Commission of such application for hearing, said order of suspension shall be designated for hearing by the Chief, Wireless Telecommunications Bureau and said suspension shall be held in abeyance until the conclusion of the hearing. Upon the conclusion of said hearing, the Commission may affirm, modify, or revoke said order of suspension. If the license is ordered suspended, the operator shall send his operator license to the Licensing and Technical Analysis Branch, Public Safety and Private Wireless Division, Wireless Telecommunications Bureau, in Washington, DC, on or before the effective date of the order, or, if the effective date has passed at the time notice is received, the license shall be sent to the Commission forthwith.

#. Section 1.106 is amended by adding a new paragraph (o) to read as follows:

**Sec. 1.106      Petitions for reconsideration.**

\* \* \* \* \*

(o) Petitions for reconsideration of licensing actions, as well as oppositions and replies thereto, that are filed with respect to the Wireless Radio Services, may be filed electronically via ULS.

#. Section 1.821 is revised to read as follows:

**Sec. 1.821      Scope.**

#. Section 1.823 is removed.

**Sec. 1.823      [Removed]**

Subpart F of Part 1 of Chapter 1 of Title 47 of the Code of Federal Regulations is amended as follows:

#. The title of Subpart F is revised to read as follows:

**Subpart F - Wireless Radio Services**

## Applications and Proceedings

#. A new sub-title is added to read as follows:

"Scope and Authority"

#. Section 1.901 is amended to read as follows:

### **Sec. 1.901 Basis and purpose.**

These rules are issued pursuant to the Communications Act of 1934, as amended, 47 U.S.C 151 *et seq.* The purpose of these rules is to establish the requirements and conditions under which entities may be licensed in the Wireless Radio Services as described in Parts 13, 20, 22, 24, 26, 27, 80, 87, 90, 95, 97 and 101 of this chapter.

#. New Section 1.902 is added to read as follows:

### **Sec. 1.902 Scope.**

In case of any conflict between the rules set forth in this subpart and the rules set forth in Parts 13, 20, 22, 24, 26, 27, 80, 87, 90, 95, 97, and 101 of Title 47, Chapter I of the Code of Federal Regulations, the rules in Parts 13, 20, 22, 24, 26, 27, 80, 87, 90, 95, 97, and 101 shall govern.

#. New Section 1.903 is added to read as follows:

### **Sec. 1.903 Authorization required.**

(a) *General Rule.* Stations in the Wireless Radio Services must be used and operated only in accordance with the rules applicable to their particular service as set forth in Title 47 of the Code of Federal Regulations and with a valid authorization granted by the Commission under the provisions of this part, except as specified in paragraph (b) of this section.

(b) *Restrictions.* The holding of an authorization does not create any rights beyond the terms, conditions and period specified in the authorization. Authorizations may be granted upon proper application, provided that the Commission finds that the applicant is qualified in regard to citizenship, character, financial, technical and other criteria, and that the public interest, convenience and necessity will be served. See 47 U.S.C. Secs. 301, 308, and 309.

(c) *Subscribers.* Authority for subscribers to operate mobile or fixed stations in the Wireless Radio Services, except for certain stations in the Rural Radiotelephone Service and the Air-Ground Radiotelephone Service, is included in the authorization held by the licensee providing service to them. Subscribers are not required to apply for, and the Commission does not accept, applications from subscribers for individual mobile or fixed station authorizations in the Wireless Radio Services, except as follows: individual authorizations are required to operate general aviation airborne mobile stations in the Air-Ground Radiotelephone Service. See section 22.82, 47 C.F.R. 22.82. Individual authorizations are required to operate rural subscriber stations in the Rural Radiotelephone Service, except as provided in section 22.703, 47 C.F.R. 22.703.
