Re: Ex Parte Presentation  
in CC Dkt 95-116

Dear Secretary Salas:

On Thursday, March 26, 1998, Heather Gold and I, representing the Association for Local Telecommunications Services ("ALTS") met with Dan Phythyon, Steve Weingarten and Jonathan Radin to discuss the issue of the CTIA requested delay in number portability and the effect that could have on number pooling. ALTS reiterated the position it has taken in the captioned proceeding that any delay in number portability for wireless carriers must not have any effect on number conservation measures like pooling.

Sincerely yours,

Emily M. Williams
