RE: *Ex parte* notification:
➤ *WT Docket No. 96-18, Market Area Licensing*

Dear Ms. Salas:

On Monday, April 6, 1998, Rob Hoggarth, Senior Vice President of Paging & Narrowband, Eddie Gleason, Manager, Government Relations and Don Vasek, Senior Manager, Government Relations of the Personal Communications Industry Association ("PCIA") met with Diane Conley, Deputy Chief, Commercial Wireless Division, Janet Sievert, Janice Jamison, Todd Slamowitz and Michael Rosenthal to discuss the above referenced docket.

In addition to discussing the status of the referenced proceeding, in the course of the meeting, PCIA encouraged the Commission to provide some form of secondary licensing relief to non-nationwide paging carriers who are still under the licensing freeze imposed in the proceeding.

Pursuant to §1.1206(b) of the Commission's rules, two copies of this letter are hereby filed with the Secretary's office and a copy of this filing is being sent today to the FCC staff members present during the meeting.

Kindly refer questions in connection with this matter to me at 703-739-0300.

Sincerely yours,

Robert L. Hoggarth
Senior Vice President, Paging & Narrowband
