FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Re: *In the Matters of Implementation of the Local Competition Provisions of the Telecommunications Act of 1996, CC Docket No. 96-98 and Application by SBC Communications Inc., Southwestern Bell Telephone Company, and Southwestern Bell Communications Services, Inc. d/b/a Southwestern Bell Long Distance for Provision of In-Region, InterLATA Services in Oklahoma, CC Docket No. 97-121*

Dear Ms. Salas:

Please be advised that yesterday Jake E. Jennings and William Agee of the Common Carrier Bureau's Policy and Program Planning Division attended a live, on-line demonstration of the interfaces that Southwestern Bell offers to access its operations support systems (OSS) in Dallas, Texas. The purpose of the demonstration was to establish that Southwestern Bell is offering competitive local exchange carriers a variety of non-discriminatory means of accessing the OSSs.

Should you have any questions concerning the foregoing, do not hesitate to contact me. In accordance with the Commission's rules, an original and one copy of this notification are submitted herewith.

Very truly yours,

cc: Mr. Jennings  
Mr. Agee
