Written Ex Parte in CC Docket No. 97-208, CC Docket No. 97-231, CC
Docket No. 97-124, CC Docket No. 97-137, CC Docket No. 96-98, and
CC Docket No. 98-56

Dear Ms. Matthey:

Over the past several weeks representatives of BellSouth have met regularly with your staff to discuss the showings that must be made to receive Commission approval of a Section 271 application. To facilitate those discussions, BellSouth had filed proffers describing the evidence it would offer to show compliance with each of the fourteen checklist items appearing in Section 271 (c)(2)(B) of the Communications Act of 1934, as amended. As the discussions progressed, BellSouth amended its initial proffers for specific checklist items to reflect the insights we had received from our meetings with the staff. BellSouth has shared each of those revised proffers with the staff and filed them with the Commission's Secretary in order to make them part of the record in the relevant proceedings listed above. Today we file revised proffers of evidence to show BellSouth's compliance with Checklist items ## 2 and 14.

If after reviewing the revised proffers, your staff concludes that it needs additional or different information related to these topics, please call me at (202) 463-4113.

In compliance with Section 1.1206(a)(1) of the Commission's rules, we have today filed with the Secretary of the Commission two copies of this

written ex parte presentation in each of the proceedings listed above and requested that it be associated with each of those proceedings.

Sincerely,

A handwritten signature in black ink that reads "Kathleen B. Levitz". The signature is written in a cursive style with a large, prominent initial "K".
