Dear Ms. Salas:

On June 4, 1998, James R. Coltharp of Comcast Corporation spoke with Jane Mago, Senior Legal Advisor of the Office of Commissioner Michael Powell, regarding matters in the above referenced proceeding.

In particular, I discussed Comcast's support of the timetable for creation of specifications for both the digital security module interface and digital security module, which was previously submitted to the record by NCTA. See letters to William H. Johnson from Neal M. Goldberg; June 3, 1998 and June 4, 1998. We also discussed the likely detrimental impact of accelerating that timetable.

Please contact me if you have any questions.

Sincerely,

James R. Coltharp  
Senior Director, Public Policy

CC: Jane Mago, Office of Commissioner Powell
