Re: Ex parte - CC Docket No. 92-77 (Billed Party Preference)

Dear Ms. Salas:

Today, Richard Rubin, Mike Bauer, and I of AT&T spoke by telephone with Paul Gallant, Legal Advisor to Commissioner Tristani. AT&T reviewed its request for a waiver of the July 1, 1998 implementation date contained in the Commission's January 29, 1998 order in this proceeding. Specifically, AT&T reviewed current technical developments and network upgrades being performed in its network, as well as the additional steps that must be taken to comply with the requirements of the Commission's order. In addition, AT&T reviewed how the network upgrades it must make are fundamentally different than upgrades that may be required by other service providers, and therefore, why the requested waiver is appropriate.

Two copies of this Notice are being submitted to the Secretary of the Commission in accordance with Section 1.1206(a)(2) of the Commission's Rules.

Very truly yours,

Thomas R. Sisti, Esq.
